

IMPORTANT INFORMATION REGARDING YOUR UPCOMING APPOINTMENT:

To ensure the health and safety of our patients and staff, we have made a few changes to our office policies:

We are currently limiting visitor access to one patient and one family member or caregiver at a time. Please call us from your car when you arrive and we will come out to get you when we are ready for you. Our phone number is 704-542-3339.

We ask that you wear a face mask at all times while in our office. If you do not have a face mask, we will provide you with one.

To help us remain on schedule and allow enough time for cleaning between patients, please plan to arrive on time. If you will be more than 15 minutes late, please let us know and we will do our best to accommodate you.

If you think you may have been exposed to someone with COVID-19 or are not feeling well the day of your appointment, please call us to reschedule or set up a remote visit.

We apologize for any inconvenience and thank you for your patience and understanding while we navigate this difficult and uncertain time.
